# **About** Us

We make awesome stuff for our customers!!!

Masakin TR IT Solutions is an IT company based out of UAE. Founded in the spring of 2008, our business has quickly grown from a small provider of IT Support and networking services to a leading provider of hardware/software solutions used by some of UAE's largest businesses, organizations, and educational institutions.

We aim to grow our reputation by continuing to improve and expand upon the products and services we provide, welcoming any comments or suggestions you may have that can help us achieve this goal.
